NURSE MARE FOAL FUND 2009

Please join us to help save orphan nurse mare foals. There are thousands of orphan nurse mare foals that need homes every year. Our goal is to raise \$5000+ to rescue at least 20-30 foals in the spring. We will be trying to raise the money by March 1 since the foals are available in spring. Please see our calendar of events for upcoming fundraisers. In March we will have a ride, location and date to be announced. Also we will have a BBQ so everyone that helped contribute can see the nurse mare foals that they helped save. Prizes will be awarded to whoever raises the most money. Please print a sponsor pledge form to use.

We need all the help we can get. We will definitely need adoptive and foster homes. We need volunteers that can help with fundraising or can give us more fundraising ideas. We will need lots of help with the foals when they arrive. We need donations of horse and non horse items to be used for fundraisers. Please read our donation wish list and also the information about nurse mare foals.
